

REPUBLICAN CAMPAIGN IN BEHALF OF HARDING WILL COST \$3,442,892.32

According to Report of
Treasurer Upham of the
National Committee to
the Senate Committee
Which Is Investigating
Campaign Expenses.

AMOUNT FAR IN EXCESS OF THE ESTIMATE

The Sum of \$3,042,892.32
Has Been Spent Already
and the Balance of Total
Is the Estimate of the
Probable Expenditures.

Chicago, Oct. 28.—The Republican national committee's campaign to elect Senator Harding priced will cost \$3,442,892.32. Fred W. Upham, national treasurer of the party, notified the Senate committee appointed to investigate campaign expenditures in a report filed with the committee here today.

Of this sum \$3,042,892.32 had been spent up to the close of business Sunday, Oct. 24, and Mr. Upham estimated the expenditures in the closing week of the campaign at \$400,000 additional. The report shows that \$301,388.98 was spent between Oct. 18, when a report was filed with the clerk of the house of representatives in Washington, and Oct. 24, the date of today's report.

The total estimated cost of the campaign—\$3,442,892.32—is considerably in excess of the Republican budget of \$3,079,037.20, presented to the Senate committee at a hearing here last August. But Mr. Upham explained that the disbursements covered the period from June 14 while the budget included only expenditures from July 1. About \$200,000 was spent between June 14 and July 1. Mr. Upham's estimate, covering the estimated disbursements from July 1 to Nov. 2, approximately \$2,243,000, about \$162,000 in excess of the estimated budget.

Contributions received since June 14 total \$2,914,706.08, or \$128,186.24 less than the amount expended to date. The report shows that \$2,914,706.08 was devoted directly to the national campaign under the direction of the national committee. The remaining \$1,121,149.54 was returned to the states in which it was raised, in accordance with an agreement whereby the national committee solicited all funds for both state and national campaign purposes.

Since Mr. Upham presented his last report to the Senate committee here in August, 30, in which he showed sixteen contributions exceeding the \$10,000 limit laid down by Chairman Will H. Hays, there have been sixteen more contributions from individuals and two from clubs, to-day's report shows. The 18 donations total \$52,170.70 and include:

Harding-Coolidge club, Tulsa, Okla., \$10,000.
Hamilton club, Chicago, \$6,125.50.
James B. Smith, San Francisco, \$5,000.
S. G. Kennedy, Tulsa, Okla., \$5,000.
William Sacks, Tulsa, Okla., \$2,500.
Percy E. Magee, Tulsa, Okla., \$2,500.
Thomas Vach, St. Louis, Mo., \$2,500.
George M. Reynolds, Chicago, \$2,000.
F. E. Pantzer, Sheboygan, Wis., \$2,000.

David H. Morris, New York City, \$2,000.
Duncan Phillips, Washington, D. C., \$2,000.
William T. Curry, Pittsburgh, \$2,000.
Ledyard Cogwell, Jr., Albany, N. Y., \$2,000.

In several instances members of the same family have given contributions of \$1,000 each.

Senator Harding and Governor Coolidge each gave \$1,000, as did Fred W. Upham, the Republican national treasurer; John T. Adams, vice-chairman of the national committee; A. T. Bert of Louisville, committee man for Kentucky; Myron T. Herrick of Cleveland, former ambassador to France; and Charles P. Taft of Cincinnati, brother of ex-President Taft. There are several hundred \$1,000 contributions.

Mr. Upham's office estimated there were approximately fifty thousand contributors to the campaign chest. The smallest contributions listed are of 25 cents. There are thousands of \$1, 50, 75 cents and \$1 donations, as well as large numbers in odd cents. Eleven Chicago women gave 62 cents each; why, no one in Mr. Upham's office knew.

With this report, Mr. Upham filed a sworn affidavit answering a series of written questions put to him by the Senate committee. The affidavit states that the amount to be expended by the national committee for the further purposes of the campaign does not exceed the sum of \$400,000, which is the aggregate sum expended of the appropriation provided for in the budget of the committee. One of the questions asked by the committee was:

"Have you in the foregoing statements truthfully and fully set forth all moneys paid or promised, whether the promise be of an express sum of money or an indefinite sum or to contribute with others to any fund or funds being collected or to be hereafter collected?"

Mr. Upham answered in the affirmative. The report shows no pledges of

aid to make up any deficit that may exist after the election, but the affidavit states that "the committee does, however, contemplate the continuation of its campaign for funds with which to discharge its unpaid debts."

Asked by the committee whether there were "any agreement or agreements, express or implied, made or contemplated to the effect that any moneys will be furnished to make up the deficiencies which may exist between moneys on hand, collected or above accounted for and the moneys expended, or which may hereafter be expended by the committee or any of its agents or agencies?" Mr. Upham said he knew of no such agreements.

In response to another question, he said: "I know of no committee, associations, organizations or individuals who are contributing or who have promised to contribute to the financial aid and prosecution of the campaign for the election of a president, vice-president, or members of the United States Senate, or of the House of Representatives, other than the Republican national congressional committee, and the individuals who have contributed to the national committee and whose contributions have been detailed in the account heretofore filed, except the regularly organized committees of the party within the various states."

DEMOCRATS BORROW \$150,000, THEY REPORT

Total Collections To Date Amount to
\$878,831.24—San Francisco Contribution Only \$1,764.90.

New York, Oct. 28.—Receipts by the Democratic national committee to Oct. 25 for the present campaign amount to \$878,831.24, according to an announcement to-day by Wilbur W. Marsh, the party's national treasurer. This figure was submitted to-day to the Kenyon committee investigating campaign contributions and expenditures in Chicago.

The sum collected, according to Mr. Marsh, consists almost entirely of contributions, with the exception of \$150,000, which was borrowed. Other sources, which aggregated collections of only a few hundred dollars included the sale of the campaign textbooks, refunds from advertising and such small items.

The statement itemizes moneys received by the headquarters in New York, Chicago and San Francisco as well as the women's bureau. Of the total \$878,831.24 was collected in New York, while San Francisco showed an aggregate fund of \$1,764.90. The women's bureau was responsible for the collection of \$8,444.90. Chicago collected \$53,041.51.

Disbursements by the entire organization amount to \$823,345.30, with New York bearing by far the heaviest burden. Chicago a sum slightly less than its receipts and San Francisco an expense approximately less than its receipts. San Francisco accounted for approximately eight times the amount of funds received. The women's bureau has cost \$1,339.30.

Commitments as of Oct. 25 follow:

Naturalized citizens' bureau, \$761.19; organization bureau, \$2,348.60; women's bureau, \$1,022.29; treasurer's statistical, \$1,403.96; general, \$2,210.10; publicity, \$121,103.34; total commitments, \$139,854.69.

Mr. Marsh's statement included a memorandum to the effect that two individuals had pledged \$25,000 each to pay the expenses of advertising books relating to the league of nations.

HARDING IN CLEVELAND.

Rested To-day, After Making Four
Speeches Last Night.

Cleveland, O., Oct. 28.—Senator Harding, who opened his final campaign swing last night with four speeches to Cleveland audiences, spent most of to-day quietly at a hotel here, resting and conferring with local Republican leaders.

An automobile ride and a luncheon at the Cleveland Country club were the only engagements on his program before his departure in the afternoon for Akron, O., where he is to speak to-night.

His voice was in good condition to-day and the cold which had threatened to handicap him in his public speaking had almost disappeared. It was said, however, that he probably would make a few rear platform speeches at the remainder of his trip through Ohio, conserving his voice for the larger audiences.

For the first time since he began campaign trips he is traveling without a private car. He and Mrs. Harding ride in one of the compartment cars, which previously have been used by other members of the party. The private car was abandoned because each night away from Marion is to be spent in a hotel.

Church dignitaries, the lord mayor of Dublin, the deputy lord mayor of Cork and deputations representing the British preliminary labor party and various Irish political and civic organizations attended.

Thousands thronged every available space in the large cathedral, scores standing on chairs in the aisles, straining for a glimpse of the casket, which the casket rested on a catafalque with four officers wearing the uniform of the Irish republican army standing motionless as a guard of honor.

FEEDING OUT WORKERS CONSIDERED RADICAL

Philadelphia Textile Manufacturers Are
Said to Have Dropped 40,000
Already.

Philadelphia, Oct. 28.—J. L. Benton, managing director of the Philadelphia Textile Manufacturers' association, in a statement to-day, declared the manufacturers had determined "to free themselves from radical unionism" as well as a large number of inefficient workers.

"Between 110,000 and 125,000 employees of textile mills in Philadelphia will be out of work this winter unless they watch their step," he said. "The weeding out has already begun. Approximately forty thousand have already been dropped. Whether the remainder will follow depends to a considerable extent on the workers themselves."

The textile manufacturers are not opposed to unionism. They believe labor organizations have done and will do good. But they are opposed to radical leaders and are going to the mat here and now with them.

Mr. Benton predicted a general stabilization of the textile trades within the next sixty days, followed by a marked reduction in prices to the consumer. "Wages will not be cut," he added, "until the purchasing power of the dollar is as near as possible to normal."

There are approximately 700 textile mills in Philadelphia, giving employment to about 225,000 workers with a normal weekly payroll of more than \$2,500,000.

THOUSANDS TO TAKE PART.

In Republican Torchlight Parade in
Boston To-night.

Boston, Oct. 28.—With rain falling to-day, Republican leaders went ahead with plans for a torchlight parade to-night, fair weather or foul. Chiefs of the ten divisions of prospective marchers reported that thousands would take part. Women will be in the van, with veterans of the World war following, delegations from the professions and trades, and groups of college students from institutions nearby.

The revival of the marching torch bearers as a special demonstration marked the first organized effort of the kind in this city since the "technology riot" of 1918 years ago. At that time students and others who had marched with the torches in the procession on the steps of Massachusetts institute of Technology. Numerous students and officers were injured, clubs and stones and flaming torches being freely used, and the police department was shaken by loss of rank and punishment for officials and patrolmen as a result of an inquiry into their actions.

Lieutenant Governor Channing H. Cox, Republican candidate for governor, was announced as chief marshal of to-night's parade, and it was said Mrs. Calvin Coolidge, wife of the governor and the party candidate for vice-president, and Mrs. Cox would march with the women voters.

SYLVIA PANKHURST SENT TO PRISON

For Attempting to Cause Sedition in
the British Navy—Gets Six
Months' Term.

London, Oct. 29.—Sylvia Pankhurst was sentenced to six months' imprisonment to-day for attempting to cause sedition in the navy by publishing the Workers' Dreadnought.

Since Sylvia Pankhurst was arrested last week it has been made known by the government that letters she had written to Nikolai Lenin, premier of soviet Russia, were in its possession. In one of these she was quoted as saying:

"The situation is most acute, not ready for revolution yet." Another letter, relating to her arrest, said: "I expect six months' imprisonment. I have considered the hunger strike, but I am afraid that weapon has been destroyed, since the government is letting the Irish hunger strikers die."

MONTPELIER

May Be Special City Meeting to Raise
Money to Carry on City.

Finances are about the only matter that get any consideration by the Montpelier city council these days, and it looks now as though a special city meeting would be called for the 12th of next month for the purpose of securing enough money to carry the council through the remainder of the year. Alderman Bowers brought up the matter of putting in the cement sidewalk on East State street and for over an hour the pros and cons of the financial situation were discussed, and when the final vote was taken to adjourn the council, with Mayor Shurtleff presiding, the council adjourned for next Tuesday morning, at which time it was thought that the street gang would have the work done on the gutter to the permanent road work. It was charged that the "Big Four" had tried to prolong the inactivity on the matter until the snow had been dumped, Aldermen Maroni and Kelly expressing themselves in favor of the project if there is money enough to do it. The matter probably will come up again. Mayor Shurtleff wanted to know where the money was to come from.

The council, on motion of Alderman State, voted to secure a loan of \$15,000 from the Capital Savings Bank & Trust company for a two-year period at 5 per cent to take up two sets of \$15,000 bonds due this year, Nov. 15. There were \$45,000 bonds due that date, of which the council has taken up and voted to take up \$30,000. The taking up of \$10,000, which was voted last evening, will eliminate the sinking fund, which is provided from the profits of the water department for the purpose of taking up bonds as they mature. The bonds due this year are on the East State street school building and the Granite street bridge.

Charles Reagan appeared relative to a sewer which causes him trouble each time there is a heavy rain and the matter was referred to the sewer committee. The matter of the firemen washing automobiles was left untouched in spite of the appeal of some persons that it was competing with the matter of a bill of some \$8 for damages alleged to have been done to the Cross bakery boilers by the water having been shut down, was dropped, the pressure on that occasion being at 125 pounds and the council decided that that pressure was sufficient. The matter of the sewer which causes him trouble each time there is a heavy rain and the matter was referred to the sewer committee.

CRIMINAL WORK SOON FINISHED

Washington County Court
Practically Ended Session To-day

PLEA OF GUILTY IN ADULTERY CASE

John Calevero Convicted of
Grand Larceny in Stealing Wine

Following the disposal of the case of state vs. Johanna Anderson, with a plea of guilty to the charge of adultery, State's Attorney E. R. Davis announced in Washington county court to-day that he had nothing more to present at this time, and the court excused the jury subject to recall. This is one of the shortest criminal sessions in the history of Washington county court.

Plans had been completed for the trial of state vs. Anderson when the respondent changed her original plea of not guilty to that of guilty. The original complaint was not pressed upon a demurrer set up by Attorney J. C. Prattini, and this morning a new complaint was filed in court, setting forth practically the same facts but in a different form.

John Calevero of Barre, who yesterday was found guilty of grand larceny in stealing three barrels of wine last summer, was to-day sentenced to the state prison for not less than six months nor more than three years and to pay a fine of \$150, with costs. The wine was in a freight car and was consigned to Angelo Scampini. The defense was that Calevero and others found the wine beside the railroad track.

DEATH OF SCHOOL BOY.

Kenneth J. MacKenzie Died To-day
After Short Illness.

Kenneth John MacKenzie, 13-year-old son of Mr. and Mrs. John MacKenzie of Ayers street, died at his home at 5:15 o'clock, this morning after a comparatively short illness with tuberculosis meningitis. His condition began to grow serious about two weeks ago when he was first compelled to remain in bed and since then he gradually declined despite the efforts of the physicians.

The lad was born in Barre Aug. 15, 1907, and has been a student in the graded schools here, first attending the Montpelier and later Spaulding school. Here he made rapid advancement, being in the eighth grade this year and preparing to enter high school next year. Storekeepers along Main street will remember him as the little lad who has faithfully delivered the copies of The Times to advertisers.

He was a constant attendant of the Presbyterian Sunday school classes. Besides his parents he leaves three brothers and a sister, Ruth 17, Leslie 15, Neil 12 and Harry three. The funeral will be held from the home Saturday afternoon at 2 o'clock. Rev. Wm. McN. Kittredge officiating, and interment will be made in Hope cemetery.

WELL OVER 1800 ACCIDENTS

Have Been Reported to Vermont Secretary of State.

There were only a few automobile accidents this morning at the secretary of state's office, the number now being well above 1800. Those reported included E. N. Longmore of South Ryegate stating that his car hit a buggy in which a Mr. Ritchie was riding, some damage being done to it; J. F. Smith of Waterbury that his car and that of Massachusetts 103366 collided, the latter running into the rear of the Smith car in Middlebury. Another of Montpelier reported that yesterday his car hit a Spanish child on River street. The child was carrying a box on its head and that it backed against his automobile, but escaped injury. K. C. Askey of Essex Junction reports that his car hit a cow in Georgia the other day. G. H. Whittier of Andover reported that his machine was dumped in East Montpelier.

Triumphs of the Trades.

The discrepancy between professional and laboratorial compensation is further illustrated in act 1 of Edna Ferber's play, "Twelve Hundred a Year," recently printed in the Transcript. That a similar condition prevails in Germany is shown by the following translated dialogue:

"I see," said the doctor to another, "that you are fixing up, employing a painter on your house?"

"No," replied the other. "I couldn't afford one. I got an artist instead." Boston Transcript.

school and later obtained a high school education by private tutoring specializing in studies along the line that will be most needed in his practice of law.

Christopher Ford of The Pas, Manitoba, is spending a vacation with his parents, Mr. and Mrs. Robert Ford.

Mrs. Grace Lewis died about six o'clock this morning after a very short illness due to a hernia tumor. She was taken ill about 10 o'clock last evening and was taken directly to the hospital, where an operation was performed to relieve her condition, but which was too late. The deceased was a native of Fayston, a daughter of Mr. and Mrs. George Nelson, born 53 years ago. Most of her life was lived in that town. Some 40 years ago she was married to Wesley Ingalls of that town and four children were born to them, of whom three are living. These are Homer, Evelyn and Floyd, who with their mother lived in Montpelier. Her husband resides in Montpelier. She also leaves four brothers, Fred of Massachusetts, George of Haverhill, N. H., Bert of Montpelier and Levi of Fayston. The funeral occurs at two o'clock Saturday afternoon.

WANTED CASH BOND— LICENSE REVOKED

William J. Power of Burlington Insisted on Cash Bond from Applicants for Positions.

State Insurance Commissioner J. G. Brown to-day revoked the broker's license of William J. Power, manager for the United States Life Insurance Co. at Burlington, because, it was stated, of Mr. Power's persistence in accepting a cash bond of \$1,000 from applicants for positions quite extensively advertised by Mr. Power.

Mr. Power advertised for special representatives at pay of \$140 a month and for others to put in their spare time at a lesser amount, a cash bond to be required. The matter of the cash bond requirement was brought to the attention of the state insurance commissioner, with the result that Mr. Power was notified that a cash bond would not be permitted, a co-operative bond being considered sufficient.

It is said that Mr. Power persisted in accepting cash bonds, with the result that action was taken by the insurance department, as above stated.

The insurance commissioner communicated with the United States Life Insurance Co. and was informed, it is said, that the company did not authorize such action as taken by Mr. Power. Among the letters said to have been written to Mr. Power was one from a Mr. Stewart of Barre.

PHILLIP—MANSON.

Last evening at 7 o'clock at the rectory of the Church of the Good Shepherd, Mrs. Mildred Manson, daughter of Mr. and Mrs. James Peck of 84 Circle street, and Robert Thomas Phillips, son of Mrs. Catherine Phillips of 95 Currier street, were united in marriage by Rev. David C. Huntington.

The single ring service was used. They were unattended. The bride wore a handsome gown of Copenhagen blue tulle. Only immediate relatives were present.

After the ceremony the relatives of the
